If for any reason a fire department is unable to contact the officer assigned, notification is to be made to the Office of the State Fire Marshal using the toll-free Arson Watch Reward Hotline, 1-800-682-9229.

In addition to the statutory investigatory responsibilities, by administrative order, the State Fire Marshal's Office will investigate the cause and circumstance of fire and explosives which:

- Displace several families or involve commercial property with subsequent loss of employment;
- Result in serious injury (injuries) that may prove fatal;
- Involve an unvented gas or oil space heater in a building used in whole or in part for human habitation;

- Involve public records in city and town halls as well as county and state buildings, or in any building in which public records are stored, or the attempted arson of public records.
